

JUNIOR SERIES 3* EVENT REGISTRATION GUIDE

IMMEDIATE ACTION ITEM

- Ensure that you have purchased your IFSA and Regional memberships. LiveHeats won't allow anyone to register unless they have **both** IFSA and their regional memberships. Please refer to this step by step [Membership Guide](#).

3* Event Registration will take place the first two weeks of December, and will be facilitated by the IFSA Administrative team.

All 3* events are filled through the seeding list - there is no open registration for these highly competitive events.

Athletes can compete in a **maximum** of three 3* events during a season.

DECEMBER

- Consult with your coach to identify the 3* Events your team is supporting this season.
- Please review the IFSA Event Schedule and the individual event webpages on ifsafreeride.org. Each event webpage contains a linked Event Guide, which is a living document maintained by the Event Organizer. This guide is updated regularly, especially as the event date approaches. Although the organizers aim to provide advance notice, sometimes information may only be available a few weeks to a few days before the event. Be sure to check back often.

DAYS PRECEDING REGISTRATION

- The seed list is based on an athlete's best three results over the past 52 weeks. This follows the Qualifier Series and Region 1 models. The seed list is categorized by discipline and gender without breaking out age divisions or regions. New or lower-ranked athletes may need to start at lower-level events to earn points and move up the seeding list. Before registration, the seeding list offers guidance but is not a definitive measure for event entry. Some events may attract more highly seeded athletes, while others may not. The list becomes most helpful once registration has begun and you can assess the waiting list against the 90% of starts to gauge likelihood of entry. Review your seeding [here](#).
- Test your [LiveHeats](#) account login
- Registration will generally open 4-8 weeks before the event. Please refer to the Registration Opening Dates listed on the IFSA Event Pages when available. Import event dates from the [IFSA Calendar](#) and set reminders. Please scroll to the bottom of the Events Page on the IFSA website to subscribe to our calendar and import.

J3* REGISTRATION PROCESS

- Registration will open on LiveHeats, according to the published schedule and all athletes who register will be automatically placed on a waitlist. Immediately after registering, athletes will receive an initial email acknowledging receipt of their registration. It's important to note that this email is solely a confirmation of receipt and does not imply entry confirmation.
- After 72 hours, registration will close, and the waitlist will be arranged according to the current seeding list.
- IFSA administration team will then calculate the field sizes for all categories at these events, and communicate this information to all athletes on the waitlist.
- Waitlisted athletes will have 24 hours to either keep their registration active, or to cancel it without charge or penalty.
- The top-seeded athletes will be confirmed for 90% of the event's starts until 90% of each division in the event is full.
- Credit cards will be charged upon athlete confirmation for an event, including non-refundable LiveHeats and IFSA fees.
- Once the event hits 90% confirmed, event registration will reopen, and all athletes not confirmed into the 90% will return to the waitlist. The remaining 10% of spots will be filled three weeks prior to the event. The process for confirming these 10% will be the same as above.
- Registration will close three weeks before an event, a message will be sent to all athletes on the waitlist, and after a 24 hour period, athletes will be confirmed for the event based on the current seeding list.

NOTE: Credit Cards are charged at the time of athlete confirmation for an event, along with non-refundable LiveHeats and IFSA fees. For 3* events, there are two opportunities to cancel without charge

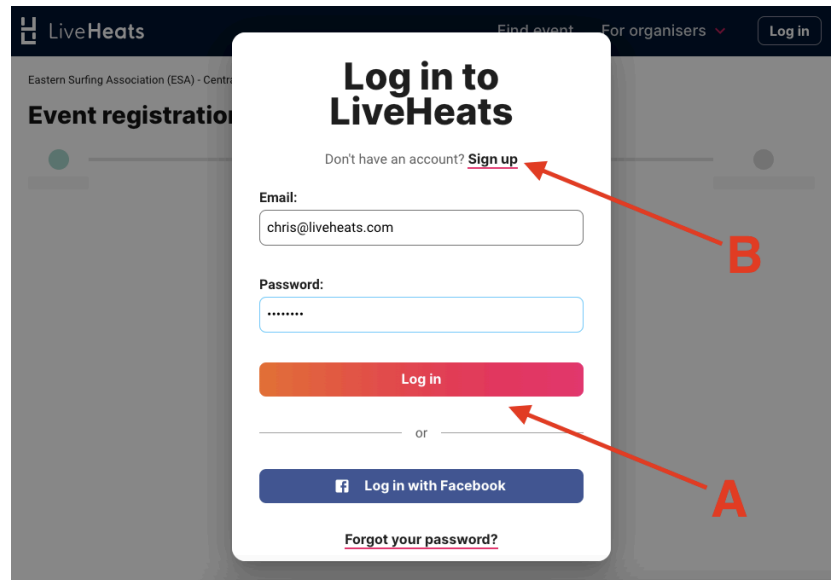

(1) During the first 24 hour waiting period between the event closing and the 90% athlete confirmation.

(2) During the second 24 hour waiting period between the event closing and 10% athlete confirmation.

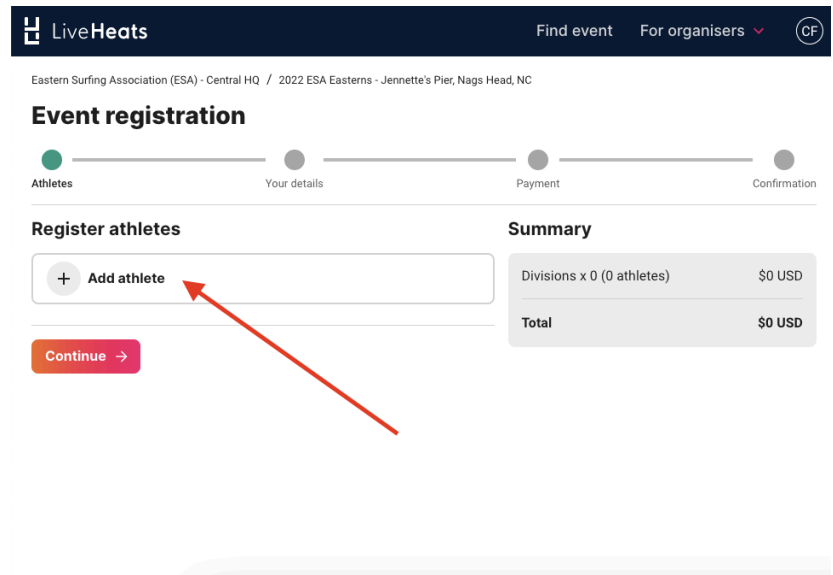

TIP: To minimize cancellation fees, utilize the 24 hour window between registration closing and invites being made to manage your signups. It is your responsibility to cancel your athlete.

NOTE: If your athlete is on the waiting list and your card is charged upon being moved off the waitlist but the payment is declined, LiveHeats will contact you to provide new payment information. There is no way to update your payment information otherwise.

CANCELLATION

In LiveHeats, you can proactively remove yourself from a waitlist before receiving acceptance, ensuring you stay within your allotted event registrations.

IMPORTANT: If your athlete chooses a different event, be sure to remove them from this waitlist. Otherwise, if they are moved off the waitlist as part of the final 10% fill, your payment method will be charged.
